Funding Year 2004

To Whom It May Concern:

Dayton Christian Schools is requesting an appeal to the USAC's Administrator's Decision on Appeal – Funding Year 2004 dated August 9, 2006, copy attached.

We would respectfully request a review of the following series of events that included a combining of four campuses into one, relocating to another city and a restructuring of personnel that we feel contributed to the fact that we did not receive the Funding Commitment Decision Letter.

- October 22, 2005, Submitted Permanent Contact Information Change Request to change Contact Person from Joseph Beeson to Julie Height. There was no change in address, which was 325 Homewood Ave., Dayton, OH 45405.
- January, 2004, Submitted Form 470 initiating Funding Year 2004.
- February 3, 2004, Form 470 #4702004, Application #123760000497031, posted.
- February 4, 2004, Form 471 #4712004, Application #425700 submitted.
- March 18, 2004, Form 471 Receipt Acknowledgement Letter from USAC issued.

Re: Applicant Name: DAYTON CHRISTIAN SCHOOLS, INC.
Billed Entity Number: 222413
Form 471 Application Number: 425700
Form 486 Application Number: 340508
Funding Request Number(s): 1188994, 1189491, 1190578
Your Correspondence Dated: June 30, 2006

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of SLD's Funding Year 2004 Form 486 Notification Letter for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1188994, 1189491, 1190578
Decision on Appeal: **Denied**
Explanation:

- You are appealing SLD's decision to deny payment for Form 471 Application Number 425700 because the Form 486 was filed late. You state that, due to a building move and change in contacts, you did not receive the Funding Commitment Decision Letter for Funding Year 2004. You discovered that the school had been approved for funding only after checking the SLD website.
- Upon thorough review of the appeal letter and relevant documentation, SLD has determined that the Form 486 for these funding requests was not filed within 120 days calculated from the date of the Funding Commitment Decision Letter (FCDL) or the Service Start Date (SSD) as indicated on the Form 486, whichever date is later. The record shows that the date of the FCDL is December 3, 2004 and

that the SSD indicated on the Form 486 was July 1, 2004. The Form 486 was postmarked and certified on May 22, 2006. Since the Form 486 was postmarked and certified more than 120 days after the later date of the FCDL, the SSD has been revised to the date 120 days before the Form 486 postmark date, which is January 23, 2006. See 2004 Funding Commitment Decision Letter, Universal Service for Schools and Libraries, Receipt of Service Confirmation Form, OMB 3060-0853. The FCDL was addressed to the address you listed on the Block 1 portion of the Form 471. It is the responsibility of the applicant to ensure that all forms are submitted to the SLD in a correct and timely manner. As a result, the appeal is denied.

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either the SLD or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.
